

Guidelines for our Vigils

We are not an organization; we have no rulers or hard-and-fast rules. We are a group of individuals who have come together with a common purpose to be a visible witness against the war in Iraq to the people of Visalia. With this in mind we have agreed to urge compliance with a few general guidelines:

- 1. We do not censor the content of signs, but we encourage positive messages about our positions and discourage personal attacks.**
- 2. We urge non-confrontation with counter protesters and nonviolent response to any violence that may erupt.**
- 3. For safety of ourselves and those in traffic, please stay back from the curb. Try to stay in the back half of the sidewalk, but stay off the planted area.**
- 4. For safety of everyone concerned, please stay out of the street.**
